2. Author(s) To change author information click on the pencil situated on the right under "ACTION".
To change affiliation information, point your mouse in the author line and click on Edit.

3. File(s) **Only ONE file including CV and others information on your poster.**

4. Overview Click on Submit to finish.
Click on the PDF icon to view the submitted file.

Step 3: Check the Confirmation email and declare your AFSE membership status

After having completed your submission on the website, you will receive a confirmation email.

Proceed the final step:

- Check the confirmation email and note the number of your submission
- Answer the AFSE survey (included in the email) to confirm your AFSE membership status.

If you have submitted your poster without having yet paid your 2017 Membership fees, you will benefit of a delay of 7 days worked to complete the membership process. Being a member of the French Economic Association allows you to have your submission handled first by the scientific committee and to register to the conference at a preferential rate.

Also, remember that Participants can both submit a paper for oral presentation and submit a Job Market Poster. Basically, PhD Students and Post-Doc Researchers, who will be on the job market during the academic year 2017-2018, are encouraged to do you to increase their visibility during the Congress.
